MEMORANDUM FOR: Director of Communications

25X1 FROM:

[redacted]
Acting Chief, Management & Liaison Staff, OC

SUBJECT: Weekly Staff Notes, 10-14 September 1984

1. We have prepared an initial package for the 1985 budget that requests Divisions to make modifications to their existing 1985 budget profiles.

25X1 2. [redacted] OF careerist, reported PCS to OC-MLS/PPBG on 10 September.

25X1 3. We provided feedback to each OC Division on what has been identified so far in PY-86 for New Communications Services. The total amount for these services is approximately [redacted]

25X1 4. The memorandum requesting reserve release for funding the [redacted] transponder on the FLTSATCOM was coordinated and delivered to the DDA.

25X1 5. RAG is arranging a briefing on 4 October between FND and NCS on HF interoperability. Mitre Corporation has been working for NCS to develop a program for HF interoperability among Federal government agencies. Representatives from MITRE will be presenting the results of their HF interoperability study. In return, FND will be briefing them on our HF network and how it functions.

25X1 7. MENCA has agreed with our proposal that [redacted]
assume CRAFT System Administration duties upon installation
25X1 of the CRAFT system. A sharing of the duties is planned
much in the same manner as we have agreed to do [redacted]

8. We have requested that each OC Division review their
CRAFT positions and submit position descriptions to support
requests for upgrades where necessary. We are particularly
interested in those positions that have been set lower than
originally requested and are pending a review by PMCD.

25X1 9. KY-71 Allocation - Seven KY-71's were made available
to DND to satisfy [redacted] requirements.
